

'Title Insurance Provider of the Year' for the second year running

3 November 2015

We are delighted to announce that First Title Insurance plc has won 'Title Insurance Provider of the Year' at EuropaProperty's 5th annual CEE Investment & Green Building Awards, which took place at Warsaw's InterContinental Hotel.

These high-profile awards recognise and reward excellence in investment, development and sustainability throughout the CEE region. The award for 'Title Insurance Provider of the Year' was considered as part of the 'Company of the Year' category. The 50 strong judging panel were asked to consider the overall market contribution, quality of customer services, market innovation, commercial success and market penetration, and it found that First Title Insurance lead the way yet again in 2015.

David Yearn, Business Development Manager CEE commented: "I am delighted to see that all of our hard work and efforts have been recognised for the second year in a row. I think this is testament to the entire CEE team who have, yet again, worked faultlessly to ensure that we continue to raise the bar in terms of our product and service offerings. I'd like to take this opportunity to thank both the team as well as our clients for another fantastic year".
